West Coast Extreme SPL

WCES is a 2 year old Club that has members from BC Alberta and Washington. We have some of the loudest competitors in Western Canada. Our cars can be seen all throughout Western Canada and we can be heard as far as away as Saskatchewan.

We thought that we would highlight the Crew from West Coast Extreme SPL (WCES). These guys deserve a hand for making the industry grow just that much in BC, Alberta and North Western USA. Our members have traveled from as far east as Manitoba to as far west as Vancouver Island, from as north as Fort St. John to as south as Florida. We truly applaud the hard work our members have done in efforts to attend shows.

1 - Patrick Riquelme

Pat is a Founding Member of WCES and Team Shadow. He has been competing for 3 years and has worked in the industry since 1990. He competes with a 1989 Dodge Shadow. And a handsome looking fellow he is.

2 - Robert Riquelme

Robert is a Founding Member of WCES and Team Shadow. He has been competing for 3 years and has extensive automotive experience. He competes with a 1986 Honda Civic. Watch out for him, I hear he's climbing

3 - Willy Riquelme

Willy is a Founding Member of WCES and Team Shadow. He is the silent partner in both and has extensive automotive experience. He drives his pimped out Lincoln to shows and is slowly reworking his system.

4 - Raymond Lal

circulates the western provinces.

Ray Ray is a Founding Member of WCES and a Proud Member of Wicked Illusions Low Rider Club. He is a veteran competitor that owns 1 of very few Extreme Vehicles that exist in Canada. His vehicle actively competes and

5 - Vic Krishna

installer at Futureshop.

Vic is a Founding Member of WCES and a Proud Member of Wicked Illusions Low Rider Club. He is a seasoned competitor that has rebuilt his system many times in the effort to increase his SPL. He actively competes and attends Show and Shines. Vic is an

6 - Jennifer Christensen

Jennifer (SPL Builder's Wife) is a great supporter for WCES and Team Shadow. She installs all her own items and is currently amassing an arsenal for her new SPL Car (her Vette). She is the only female member of WCES.

7 - Milton Douvas

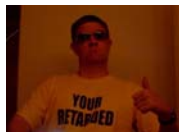

Milt is the first non member to join WCES. He is head salesman at Speaker City in Vancouver and is always looking to show off his latest demo vehicle. It can be seen at Speaker City when he is not competing.

8 - Bill Cheff

Bill is a Show and Shine Specialist that installs his own system. He has a lowered supercharged 1992 Ford Thunderbird. Bill loves tearing it up at meets and loves holding on to the babes at car shows

9 - Ryan Liden

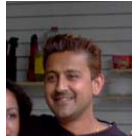

Ryan is an SQ and SPL competitor. He has traveled to many shows and supports WCES with all his passion for the sport. He loves kicking the tunes on his 2004 Honda Civic.

10 - Marcelo Jorquera

Marcelo loves to show off his Vette. His favorite saying is, "Chicks get wet in the Vette". He comes out whenever he can to support WCES and when he's not busy speeding in his Corvette or on his Bike

11 - Aaron Sharma

Aaron is the Alpine master that has competed for many years. You can hear his Eagle Talon blasting the tunes deep in Surrey. Aaron has needed to buy a house to fit all them trophies. Mr Alpine loves his music loud.

12 - Justin Larouche

Justin drives his 1990 Pontiac Firefly to all the major shows in BC. This is his first year competing and currently is one of the top 5 loudest cars in BC. He is the Head Installer AT Georges in Kamloops

13 - Milun Tesovic

Milun loves to show off his SPL Mercedes. This is his 2nd year competing and has changed his car and his system and now upgraded it all again. Milun does all his own installs and is constantly changing his system to impress.

14 Norman Wong

Norm has the loudest Street B car in BC. He is a Proud Member and Founder of Team Audio Vault He is always rebuilding his box to make the number go up. He is a dedicated man that wants it all. He has his eyes set in Finals. Great job Norm.

15 - Tyler Bidnyk

does all his own work. He was featured as our competitor of the month.

Bidnyk is a well traveled competitor. He has been spotted sleeping in his car as far East as Manitoba and as far West as Vancouver. He has extensively modified his Asuna to compete.

16 - Sean Ojaroodi

Sean is a Proud Member and Founder of Team Audio Vault. He has been heard pounding down the streets of Vancouver. He has been hitting impressive numbers with his Soundstream system. This is his 1st year competing.

17 - Robert Della Malva

Rob is a Proud Founder of Team Audio Vault. His demo car has wowed many at SCN and DTP. His car is impressive and plays so loud that you can barely hear him talk. (those that know him know that his voice is super loud).

18 - Juan Rojas

Juan is Owner Operator of Abalon Construction and just put in his system into his work truck. He sponsors Team Shadow Extreme SPL and is always excited about supporting the industry. Thanks Juan

19 - Ross Graham

Ross's MX3 has wowed everyone with his custom fiberglass work and his 15 inch screen. (kids love the video games) Keep up the support Ross, we appreciate it.

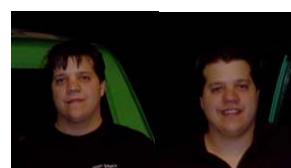

20 - Rob Van Overdyk

only matched by his great attitude. He was featured as our competitor of the month.

"The Phenomena" Rob is an avid competitor that attends multiple sanctioned shows and crosses many provinces and states. He is well traveled and is one heck of an ambassador for the sport. His enthusiasm is

21 - Riprock

holds the title of "Loudest Car in Canada...period". These guys truly know their stuff. Keep climbing guys. They were featured as our competitor of the month.

Mike and Mark Regner (Team RipRock) are owners of the only car that has registered a score over 170 on the new sensor mic. Their car currently

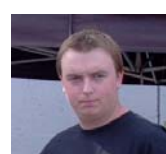

22 - Aaron Pottinger

going places.

"Mr Sideways Hat". You can catch him in his Hyundai pounding the streets with his JL Audio and Rockford mix. He is a first time competitor that will be making an impact this year. This dude is

23 - Markus Richter

Markus is a new member to WCES that has taken a few trophies already in Stock 1 class. He hails from Williams Lake and has been all over BC to compete

24 - Trevor Ens

Trevor is a Kamloops competitor that loves to come out and support. He is always out and about with the crew from Kamloops.

24 - Karl Ruppert

Karl is a Proud Member and Founder of Team Areostar. He is always advancing himself with upgrades to his van. Watch out as he is coming out blazing once his new box is done and his new high output alternator is installed.

25- George Dodd

George is a Proud Member and Founder of Team Areostar. He and Karl constantly compete against each other in the effort to get louder. Both guys keep climbing so keep at it gents.

26 - Joe Discuso

Joe is a new competitor that loves the Show and Shine action. He comes out and supports WCES at local shows. We expect great things from him once he has paid off his wedding. (wink wink).

27 - Joe Johnson

Joe is a the Proud Member and Founder of Lethal Customs. He and his Crew from Prince George come out and compete as a pack. Joe works at the Visions Electronics in PG and does all his own Installs. This year he won a trip to SBN to see

the show and was featured as our competitor of the month.

28 - Vince Kelty

Vince is our only American member. He is always popping up in the farthest of places. Finals. He is constantly rebuilding to "make them SPL come up". He was featured as our competitor of the month.

29 - Claude St Amand

Claude is a first time competitor that has come out to support WCES at its shows. He drives a Blue Ford Mustang.

30 - Marty Wells

Marty is the only competitor that works so much that we don't get to see him compete. Workaholic and a 1st year competitor. You can see his Gold Saturn in the streets of Kamloops

31 - Derek Suderman

Derek is a first time competitor that has only recently made it out to shows. He is already looking into making some modifications with a SPL Special Kicker Box (Thanks Rob VO)

32 - Tom Barnes

Tom is a great supporter of WCES and Team Shadow. He is a workaholic that comes out to support in the hottest days. Tom drives a classic mustang and is always looking to attend local shows.

33 - Ryan Honda

Ryan is a new competitor that is another workaholic. He has started to upgrade his car and is currently rebuilding his system.
